ADMINISTRATION

The quality of mercy is not strained;
It droppeth, as the gentle rain from heaven
Upon the place beneath; it is twice bless'd —
It blesseth him that gives, and him that takes.

Holy, fair, and wise is she;
The heaven such grace did lend her,
That she might admired be.
Is she kind as she is fair?

JUNIORS

To be, or not to be: that is the question:
Whether 'tis nobler in the mind to suffer
The slings and arrows of outrageous fortune,
Or to take arms against a sea of troubles,
And by opposing end them.

Harold Calhoun,

This class sincerely appreciates your co-operation and understanding in teaching us this year. Many of us have strived to learn and most of us succeded. We have had a most enjoyable time this year and hope that we haven't discouraged you <u>too</u> much. As the years go by we hope that you continue to do your good work. May the best of everything come your way.

Here's wishing you the best.
